

Walkathon June 2, 9am, Tiverton High School Track, Rain or Shine, to benefit the new Tiverton Library

On Saturday, June 2, beginning at 9am, you, your family and friends can walk [or sponsor walkers] to benefit the new Tiverton Library. The walk will take place at the Tiverton High School track, 100 N. Brayton Rd, which is handicapped accessible and stroller-friendly.

Join the crowd in support of the new library! Be part of the team that builds it.

The bond has passed, the Capital Campaign and grant writing are in full swing and progressing well. [For details, add your email to the 2500 residents who subscribe to the monthly Library electronic newsletter at friends@tivertonlibrary.org.]

Fundraising events have been held and are being planned by individuals, families, and community organizations. Among them have been the Tiverton Yacht Club's First Annual Penguin Plunge, a home-school family-sponsored neighborhood play, contributions from Tiverton 4 Corners merchants from their Holiday Festival, the Friends Common Cents Penny Drive, and--**this walkathon**, sponsored by the Friends of Tiverton Libraries, in conjunction with their annual Community Festival and Booksale.

To pre-register to participate, download and complete the registration form at www.tivertonlibrary.org, or pick up a form at Essex or Union Library during operating hours. Registrations will also be taken at the walkathon.

Walkers will be receiving a Walkathon t-shirt as well as be eligible for raffle prizes.

To be part of the town-wide public fundraising effort, contact Library Director Ann Grealish-Rust [<mailto:arust@tivertonlibrary.org>].

The Friends of Tiverton Libraries is a 501C3 organization, whose mission is to support, expand and promote library services in cooperation with the Library.
